Funding to create and deliver this workshop is generously provided by a grant from:

The Henry H. Kessler Foundation

This workshop was developed and designed by:

Cornell University ILR School DBTAC-Northeast, in collaboration with The Garden State Council-SHRM, the NJ Association of Independent Living Centers and NJ Business Leadership Network

“Discovering Untapped Talent - Strategies for Employing People with Disabilities”

Here's what Participants are saying about their workshop experience:

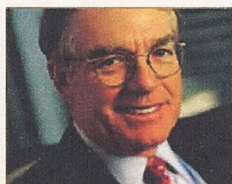

"It was very rewarding and gave new insights in areas that I overlooked."

"Excellent presentation. Well worth the cost."

"Your workshop was inspirational."

"I am excited by the new information as well as thinking of ways to use it in my work as a career counselor."

Disabilities do not distract talent from succeeding.
